

## Singer® CG754 Serger

Create garments and gifts with Professional results every time! The Singer CG754 is a time saving innovation that provides professional seams, seam finishes, and creative stitch capabilities. This overlock sews at 1,300 stitches per minute, trimming, and overcasting the raw edges at the same time for quality seam finishes. The CG754 is not limited to just seams, and seam finishing- enjoy sewing one-of-a-kind creations with the special effects of decorative stitching, such as Flatlocking and Rolled Hemming. The overlock works side by side with your convention sewing machine for a world of creations!

- Use 4/3/2 spools at one time.
- Electronic speed control. Stitch up to 1,300 stitches per minute
- Adjustable cutting width and stitch length dial, color coded lay in thread tension
- Built in rolled hem, free arm sewing, presser foot pressure
- 25 yr warranty: on parts, 5 years electrical, 1 year labor on defects in materials & workmanship
